PROFESSIONAL EXPERIENCE

Black Rabbit Entertainment, Mumbai

Founder

October 2021–Present

- Identified detailed learning objectives and deliverables for courses based on business requirements, learner profiles and evaluation methodologies
 - Created design documents and development strategies for end-to-end learning solutions
 - Created detailed work plans for the effort required to design, develop and deliver trainings
 - Performed project administration tasks such as reporting status and facilitated stakeholder connects
 - Coached team members to deliver the best possible training products
 - Functioned with agility and a sense of urgency to meet deadlines and deliver trainings created leveraging concepts of durable learning and design thinking
-

PROJECTS

- **BURGLAR ALARM** for special (PwD and old) people **2014**
A hearing impaired person won't be able to detect a burglar alarm. L.E.Ds will be attached to this alarm that will glow when the bell rings. Thus, the person will be able to understand that the bell has rung.
 - Project report on **FITNESS WEBSITE** **2018**
Fitness website specifically designed for coaches and their clients. Website will serve people who want to remain fit and live a healthier lifestyle through various training programs and diet routines. DataBase- Tool: SQL server 2008 or above and SQL server Management studio.
-

EXTRA CURRICULAR ACTIVITIES
